The Mayor

Rylan Sylvester

Rylan has announced her candidacy for Mayor of New York City and is running on a unique platform. Can she count on your vote?
Rylan Sylvester got her comedic start doing college improv in 2014. She later hosted and produced her college troupe’s 25th Anniversary Alumni Show in 2017 with 30+ performing alumni and 200+ in attendance. She went on to train with the Upright Citizens Brigade and the Brooklyn Comedy Collective, and now performs weekly on a house team at The PIT as a part of their “Monday Madness” series. She also performs regularly with an indie improv troupe, which won UCB’s Indie Cagematch competition in October 2019. Her last three performances of her solo show “The Mayor” have been sold out shows; two with the BCC (The Brick Theater, Cantina Royal) and one in The PIT Striker.

La MaMa's historic, landmark building at 74 East 4th Street is undergoing an urgently needed complete renovation and restoration to preserve the historic façade, create building-wide ADA accessibility, and provide much needed performance, exhibition and community space for decades to come.

La MaMa, founded by Ellen Stewart in 1961, has been on East 4th Street since 1967. La MaMa embraces every person in its community and is legendary as the place where new artists of all nations, cultures, races, and identities are given opportunities. It is the place where art begins.
