Steve Ali (Performer) is a native of Syracuse, NY, where he lives and works as a barista and cook. Occasionally, Steve’s bosses untether him from his station long enough for him to run away and work on something cool like this. OBJECT COLLECTION was founded in 2004 by writer/director Kara Feely and composer/musician Travis Just. Based in Brooklyn, the group operates within the intersecting practices of performance, experimental music and theater. They are concerned with simultaneity, complexity, and radicality, combining dense layers of text, notation, objects and processes. Their works upset habitual notions of time, pace, progression and virtuosity. They value accumulation above cohesion. www.objectcollection.us
